Tender on duty serving cocktails, soft drinks, and juices. Guests then entered the hallway leading to the formal Victorian parlor featuring many antiques from Marsha’s grandmother’s estate in Baton Rouge. The furniture covered in pink and mint green velvet, were highlighted with an entire wall of hanging royal purple fabric, and a baby blue Oriental rug. All of the Victorian tables are topped with white marble.

In an alcove of this room is the altar and prie dieu with the couples’ religious icons, statues, and relics collected on their travels in Europe and the United States. Another highlight in this room was the carved pedastal featuring the monstrance the couple obtained in Rome which was blessed by the late Pope John Paul II in St. Peter’s Square.

There were several holiday pieces on display including the whimsical miniture pink lighted Christmas tree with the couple won with the highest bid at one of Good Friends past Christmas Gala’s. It was created by Pet Asylum adorned completely in miniature pet ornaments.

Going past the parlor, guests headed towards the end of the hallway lined with many antiques which led into the formal dining room. This was the largest room on this floor which has a huge Victorian curio cabinet housing many of the couples collectibles including Faberge’ Eggs, ornate eggs, jewelry pins, crystal, silver, porcelain, and crowns. One corner has the baby grand piano which is topped with a maniquin displaying Marsha’s King Cake Coronation gown, crystal, and crown. The Duncan Phyfe dining room table, buffet and china cabinet were also from Marsha’s grandmother’s estate. The china cabinet houses Marsha’s grandmother’s Dolly Madison china and crystals, Rip and Marsha’s Royal Albert Old Country Roses china, and a collection of Menefee’s plates won at a fundraising auction.

Here guests were treated to the Naquin-Delain Holiday Feast including Antipasto de Maison, Cajun BBQ Meat Balls, Mama’s Oyster Cornbread Dressing, Pickled Vegetables, Tapeame Cream Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mini red velvet and carrot cakes from The Cheese Pyramid with Chorizo, and both mid
